Calgary Health Foundation (CHF) is the registered charity for Alberta Health Services – Calgary Zone (Charitable Registration (B.N.) 89383 4697 RR0001). The donated securities are normally sold by CHF, and the net proceeds from the sale will be available for the gift designation as described on the Securities Transfer Form.

Other than possible income tax benefits and any recognition that CHF may provide at its sole discretion in accordance with its practice of acknowledging gifts of this nature, the Donor confirms that neither the Donor, nor any person related to the Donor, will receive a benefit or advantage of any kind, now or in the future as a result of the Donor making the gift. To assist with the Foundation's costs, including processing, receipting, investment management, stewardship and granting, 5% of the gift will be allocated to CHF.

Electronic delivery can take 2-10 days depending on the broker, though 2 days is typical. Mutual funds can take 10-30 days.

Once the securities transfer has completed and confirmed, CHF will issue a charitable tax receipt to the donor. For valuation purposes, the value of the gift shall be the closing market price of the securities comprising the gift at the time the gift is received by CHF.
