

INFRASTRUCTURE

Expansion and Development for Newborn and Family Resources

Foothills Medical Centre Neonatal Intensive Care Unit (NICU)

The new two floor NICU will house state-of-the-art equipment to ensure the highest level of care for the smallest of patients.

South Health Campus Maternal Triage

Support for over 15,000 women requiring Early Pregnancy Assessment and Maternal Triage in a welcoming and patient-centred care environment.

South Health Campus Pediatric Emergency Pod

A specialized nine bed emergency care space for children allows for more comfort and patient-centred care with pediatric specialty.

Shaganappi Community Health Hub

A fourth Postpartum Community Services program hub on the west side of Calgary.

Peter Lougheed Centre Maternal Care Unit

The Maternal Care Unit is a reimagined approach to labour and delivery.

Peter Lougheed Centre Neonatal Intensive Care Unit (NICU)

The redeveloped NICU is a 27 bed unit with a combination of private rooms and care pods to support the various needs of over 690 newborns needing Level 2 care each year.

Thank you!
